## 15th Australian International Short Film Festival

January 6th – 15th, 2006 Bondi Beach, Sydney AUSTRALIA

[www.flickerfest.com.au](http://www.flickerfest.com.au)

Flickerfest is an Academy Accredited ® Festival.

**Flickerfest 2006**, Australia's premiere international short film festival, will be held at Bondi Pavilion on Sydney's famous Bondi Beach. The Festival will consist of a main competitive program, a short documentary competition, Australian competition and a number of additional programs and forums out of competition. Following the Festival in Sydney, the films in the main competitive programs will go on tour around selected cities and regional centres of Australia.

### Eligibility:

The International Section of the Festival is open to any production available for screening on 35mm while the Australian and Documentary Sections are open to any production available on 35mm, 16mm or SP Beta tape. To be eligible for any section of the Festival the production must be no more than 30 minutes in length. (In rare and exceptional circumstances the festival committee reserves the right to accept films of longer duration).

All productions screened at Flickerfest 2006 must have been completed within 2 years of the closing date and must be in English or have English subtitles. Due to the competitive nature of the Festival, we favour Sydney premieres and films that have not been broadcast in Australia.

### Entry Fees:

Australian Entries: \$30.00 (incl. GST)  
International entries: \$35.00AUD (Australian dollars) per production.

Schools and institutions may send compilation tapes for a single fee of \$120.00AUD.

### International entries:

The easiest method of payment is by credit card. If you don't have a credit card raise an international money order made payable to **FLICKERFEST PTY LTD** in Australian dollars.

DO NOT send your local cheque.

### Tour:

Films in the main competitive programs tour around Australia, details are finalised later in the year (typically 4-6 screenings).

This means that if your film is selected for international competition we will need your print until **end March 2006**.

### Filmmakers and Guests:

Unfortunately our festival budget is too low to be able to assist all filmmakers & their travel. However we will assist with accommodation for all international guests accredited to the festival.

### Awards:
